Save up to 50% on select balances, pipettes, prospensers, and pipette tips when you purchase from any 3 product groups

Entris® II Laboratory Balances

No matter what you're weighing, Entris® II balance is always the right choice. The Entris® II comes in two product lines, so you can find the balance that meets your specific weighing needs.

Tacta® Mechanical Pipette

Tacta® makes pipetting effortless and safe, while producing accurate and reliable results time after time. It is designed to feel great in your hand, and it is easy and comfortable to use.

Proline® Plus Mechanical Pipette

Proline® Plus mechanical pipettes offer comfort and quality for your everyday manual pipetting. It combines durable construction with ease and lightness of use.

Prospenser - Dispensing Made Easy

Prospenser are high quality bottle-top dispensers with excellent chemical resistance. They are safe, convenient, and customizable, making them perfect for a wide range of dispensing needs.
